WHAT IS IVAS?

The name **IVAS** is derived from the **Sanskrit word NIVAS**, which signifies a home where a family stays with love and togetherness.

At IVAS, we believe every home is alive and has a heart that beats. We want you to feel that heartbeat every time you enter your home. With each renovation, we infuse your home with the same affection and care you extend to your family, ensuring it becomes a warm and welcoming space for you and your loved ones.

IVAS, India's newly launched building materials brand, offers a complete range of premium products such as Tiles, Sanitaryware, Bath Fittings, Modular Kitchens, Appliances, Electricals, Laminates and Designer Hardware.

Discover the heartbeat of your home with IVAS!

Ghar Dhadakne Do!

IVAS LAMINATES

IVAS Laminates is synonymous with exceptional quality, innovation, and high-performance products, making it the ideal choice to bring your creative visions to life. Offering a broad spectrum of colors & finishes. IVAS Laminates opens up endless design possibilities. Whether you're looking for solid colors, patterns, wood grain textures, or abstract designs. our unique finishes such as Flute, Bamboo, Glass Line Diagonal Ash, and our exclusive Synchro finish makes IVAS Laminates perfect for interior surfaces, furniture, and home decor.

We source only the finest European, decorative papers from globally recognized companies, alongside premium quality craft papers. Our unwavering commitment to quality has earned us certifications including BIS, FSC, and ISO 1400.

Architect Tips

Architecture is the art and science of designing masterpieces that balance community needs and environmental considerations. It shapes our surroundings and influences how we interact with the built environment. Good architecture reflects cultural values, embraces sustainability, and enhances the quality of life. By integrating innovative design with practical solutions, architects create spaces that not only meet the needs of their occupants but also contribute positively to the world around them.

Tip 1: Know Your Space

Reflect on your interactions with the space to enhance its functionality before making design decisions.

Tip 2: Sketch Out Your Idea

Capture the essence of your design before it takes shape!

Tip 3: Take a New Perspective

Consider your space from different angles to uncover fresh insights and innovative design opportunities.

Tip 4: Balance Proportions:

Pay attention to the proportions of architectural elements to ensure visual balance.

Tip 5: Maximise Natural Light:

Use large windows and open layouts to create bright, welcoming spaces that reduce energy consumption.

Interior Tips

Interior design creates a rich and inviting space, drawing attention through carefully chosen materials, colors, and textures that come together to form a unique and welcoming atmosphere

Tip 1: Balance Your Color Scheme

Harmonize your space by balancing your color scheme to create a cohesive and inviting atmosphere.

Tip 2: Combine Strong Colors and Prints

Bold colors paired with striking prints create a lively and unforgettable design statement.

Tip 3: Invest in Quality

Choose durable materials and timeless designs that withstand trends and wear.

Tip 4: Stay Flexible

Design with adaptability in mind, allowing for changes in use or style over time.

Technical Specification

IVAS LAMINATES

Properties	Specified values as per IS:2046-1995 Type S, HGS	IVAS Laminates Confirms
Thickness	0.8 mm (+- 0.05 mm)	✓
Resistance to immersion in boiling water		
Mass increase (%)	10 (Maximum)	✓
Thickness increase (%)	12 (Maximum)	✓
Resistance to dry heat 180° C	Not worse than 4	✓
Dimensional stability at deviated temperature		
Longitudinal (%)	0.375 (Maximum)	✓
Transverse (%)	0.60 (Maximum)	✓
Resistance to impact by small diameter ball	20 N (Minimum)	✓
Resistance to cracking	Not worse than 4	✓
Resistance to scratching	2 N (Minimum)	✓
Resistance to staining	Not worse than 5	✓
Resistance to colour change (wool standards)		
In Xenon arc light	Not worse than 6	✓
In enclosed Carbon arc light	Not worse than 5	✓
Resistance to cigarette burns	Not worse than 3	✓
Resistance to steam	Not worse than 4	✓
Appearance	Should be free from foreign particles	

PRODUCT SPECIFICATIONS

Product : Paper based Decorative Laminate Sheets

Size : 2440 x 1220 mm

Thickness : 0.8mm (+- 0.05mm)

Finish : Matt, Gloss, SF and Exclusive Textures

Maintenance : Clean with mild soap solutions or house hold detergent, abrasive cleaners should not be used, it is recommended for vertical use only. Avoid direct sunlight.

Resistance : To surface wear, immersion in boiling water, dry heat impact by small dia. ball, cigarette burn, staining, scratches, color change in xenon light.

Factory Address -
Hella Infra Market Wood Products Pvt Ltd
Plot No. 1, Sector - 9, SIDCUL, IIE, Pantnagar, Rudrapur, Tehsil-Kichha, Distt-Udham Singh Nagar
